LETTER TO THE EXAMINER
RE
INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

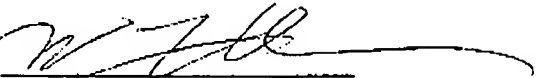

In regards to the above-identified application, an Information Disclosure Statement, Form PTO/SB/08A and copies of 15 relevant arts were filed in the Patent Office on December 18, 2008 when an RCE was filed. Though the copies of the relevant arts were correct ones and to be examined, the Information Disclosure Statement and the Form PTO/SB/08A inadvertently contained an inaccurate identification of one of the relevant arts. In particular, the laid-open number of the art M should have been -- H7-155286 -- and not "H7-144286".

In view of the above, it is respectfully requested that the Patent Office change the information on the art M as follows:

M. Japanese Patent Application Laid-Open (Kokai) No. H7-155286 A published by Japan Patent Office on June 20, 1995;
and replace the previously submitted Form PTO/SB/08A with the one attached

hereto that lists the correct laid-open number for the art M on sheet 2 of 3 and consider the art M.

Respectfully submitted,

By:
